

SEVEN 37

New for 2008 is the Hoyt Seven 37™ – a hard-working, versatile, high-performance bow that's an excellent choice for target archers and bowhunters alike. With a 7" brace height and 37" axle-to-axle, the Seven 37 will come through in the clutch whether you're drawing back on a monster muley or shooting your way to the podium. The Seven 37 boasts our XT1000 limbs, a fast 313 fps and our innovative, super-smooth Cam & 1/2 Plus – a completely overhauled upgrade of our hugely popular Cam & 1/2 Performance System. And it's loaded with a complete noise and vibration dampening system for the ultimate in quiet, consistent shooting. The Hoyt Seven 37: a fast, smooth-shooting, accurate, do-it-all bow that promises to help you fill your freezer and win more tournaments.
