

### G3

Code 559250 LG/MD/SH - #

New technically advanced limb produced with carbon fibre and syntactic material for an optimal blend of speed and stability.

• <b>Sizes:</b>	Long	<b>LG</b>	32# -> 44#
	Medium	<b>MD</b>	32# -> 44#
	Short	<b>SH</b>	32# -> 42#

Hoyt has been the first producer to introduce the use of Syntactic Foam in its line of limbs to achieve perfect stability in every shooting condition. Hoyt's continuous effort to improve its line of products has led to the introduction of two top of the line limbs: G3 and M1 that are second to none in smoothness, stability and precision.

### M1

Code 559582 LG/MD/SH - #

The high performance Syntactic Foam and carbon design of the new M1 promotes stability and durability while remaining extremely consistent in all types of weather conditions.

• <b>Sizes:</b>	Long	<b>LG</b>	26# -> 44#
	Medium	<b>MD</b>	26# -> 44#
	Short	<b>SH</b>	26# -> 44#
