

# Stick-on arrow rests

## ARE REST FREE TUNING

Particularly indicated for high-level archers who use arrows of different diameter and weight. Possible adjustment of the vertical position, horizontal and vertical angles and of the support stiffness.

**Code 539916** R/L

## ARE REST XR

Magnetic rest with pin adjustable in height. The position of the magnet makes the movement of the support arm smooth and light.

**Code 539912** R/L

## ARE REST HU

Excellent magnetic rest, easy to install and with the possibility to adjust the height of the support. Its particular U-shape makes it possible to place the support arm near to the button.

**Code 539914** R/L

## ARE REST STANDARD

The basic and most affordable rest of the ARE range. Essential but its support-movement can be compared with that of the XR version.

**Code 539910** R/L

# Beiter arrow rest and button

# Beiter

## BEITER REST

The Beiter arrow rest allows an easy tuning and has many accessories. Usable as right and left handed version. Available with the support 12 for carbon arrows or the support 23 for carbon or aluminum arrows with a larger diameter.

Various accessories/replacements are available for the Beiter arrow rest and make the rest suitable to the different needs of the archer: the mounting bases are available in the sizes 1, 2 and 3 mm while the arrow support is available in size 12 (fits carbon arrows with a lower diameter), 17 for arrows with a small diameter (carbon series 60) and 23 for aluminum or carbon arrows with larger diameters.

**Code 537786** 12/23  
**Code 537792** 1/2/3  
**Code 537789** 12/17/23

## REPLACEMENT PARTS

The Beiter Buttons are supplied with a good assortment of spare parts. These spare parts are also available as accessories.

### REPLACEMENT TIPS

**Code 535480** 34/36/42

### REPLACEMENT SPRINGS

Available in: soft 0.45, hard 0.60 and extra hard 0.75

**Code 535479** 45/60/75

### LOCKING NUT

High **H** and low **L**. Colors: black **BK** and silver **SL**.

**Code 536169** H/L BK/SL

## BEITER BUTTON

Universally acknowledged as the best button on the market: It is a marvel of mechanical precision. Available in Black (BK) and Silver (SL) in the following lengths: Short **SM** (17.5-23), Medium **MD** (21.5-27) and Long **LG** (29.5-32.5).

**Code 534653** SM/MD/LG BK/SL

By replacing the locking nut with the high version the following sizes can be obtained: 17.5-21.5 (short with high locking nut) and 25.5-29.5 (long with high locking nut).
